

How to Track your Framery Shipment

Sea Freight and Air Freight

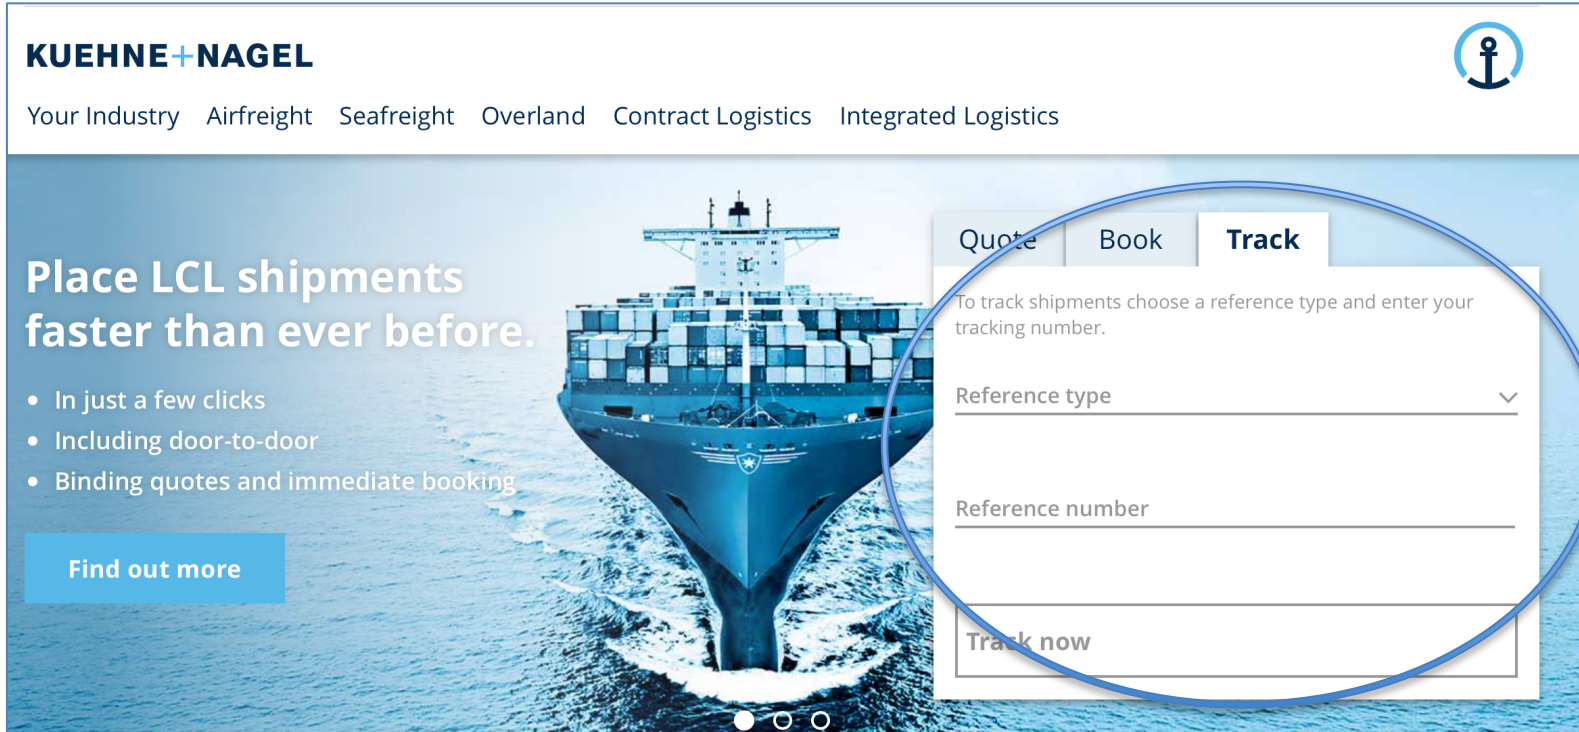

Your order will be shipped on date shown on Order Confirmation. After this you can track it at <http://www.kn-portal.com>, by using the SO number shown on your order

Go to: <http://www.kn-portal.com>

Choose **”Track”** - tab and choose the reference type as **Customer Reference No.**

Enter the **SO number** found on your Order Confirmation (consists of the letters SO followed by 4 numbers)

Click on **”Track”**

KUEHNE+NAGEL

Your Industry Airfreight Seafreight Overland Contract Logistics Integrated Logistics

Place LCL shipments faster than ever before.

- In just a few clicks
- Including door-to-door
- Binding quotes and immediate booking

For shipments by Sea:

You can see the planned and actual progress of the shipment on the top of the page. Estimated time of arrival may change during transit.

If the tracking information is not found with SO number (you might need the container number, SWB number or booking number), please contact logistics@frameryacoustics.com.
