

## Virtual Patent Marking Notice by Framery

Updated 2.2.2024

This website is provided to satisfy the virtual patent marking provisions of various jurisdictions including the America Invents Act and to provide notice under 35 U.S.C. §287 (a) of the patent laws of the United States of America.

While every effort is made to ensure completeness, due to the dynamic nature of the patent process and the product life cycles, the list may not be all inclusive at the time you visit it.

The absence of any patent or product from this list does not preclude enforcement of our legal rights.

## Framery trademarks

A trademark can be a word, phrase, symbol, or design that distinguishes the source of the goods or services. Also, as a trade dress, it can be the appearance of a product or its packaging, including size, shape, color, texture, graphics, and appearance (e.g, retail store or website).

The following is a non-exhaustive list of Framery's trademarks and service marks.

The absence of a product or service name or logo from this list does not constitute a waiver of Framery's trademark or other intellectual property rights concerning that name or logo.
